

## Map Screen

By default the map screen displays the *Alarms* window. The enlarged Alarms window allows the user to view more alarms on the map screen.

The screenshot shows the Map Screen interface. At the top is a menu bar with options: Home, Map, History, Maintenance, Messages, Landmarks & Geozones, Reports, Configuration, FleetPulse, Help, Logout. The user is logged in as 'jay.HGI'. The main area displays a map of North America with vehicle locations marked by blue triangles. A scale bar indicates 2000 km. On the right, an 'Alarms (24 hr) Total: 4' window is open, showing a list of alarms with details like time, location, and type. Below the map, there is a 'Fleet' section with a dropdown menu set to 'All Vehicles' and buttons for 'Update Position', 'Map It', 'Search', 'Auto Refresh', and 'Full Screen Grid'. A table below this shows vehicle data with columns: BoxId, Description, Address, Date/Time, Speed, Armed, Status, and History. The table contains five rows of data. At the bottom, there is a 'Ready.' status bar and a page indicator 'Page 1 of 4'.

BoxId	Description	Address	Date/Time	Speed	Armed	Status	History
3219	BSM_A	Hwy-7 5967, Vaughan, ON	03/24/2008 11:14:31	0 km/h	<input type="checkbox"/>	Parked	History
1671	1671	Lat=0, lon=0.	01/01/1900 12:00:00	0 km/h	<input type="checkbox"/>	N/A*	History
222	222	5914 RR-7, Vaughan ON	06/07/2006 11:50:39	0 km/h	<input type="checkbox"/>	N/A	History
222222	222222	Hwy 7, Vaughan, ON, L4L	09/27/2007 05:13:09	0 km/h	<input type="checkbox"/>	N/A	History
3872	3872	Hwy-7 5973, Vaughan, ON	03/27/2008 01:16:01	0 km/h	<input type="checkbox"/>	Power Save	History

The user has the option to enable the *Messages* window to appear on the map screen by selecting the option **View MDT messages scrolling** on the User Preferences Screen.

The number of rows to be displayed on the map and history screen is available by selecting a value for **Map Screen Grid Rows #** and **History Screen Grid Rows #** respectively.

**User Preferences Info:** [English](#) [Français](#)

## History Screen

The history screen has two new features:

Vehicle Grid – This is similar to the Full Screen Grid.

Send Command – Ability to send commands to a vehicle from the History screen.
